Nicky Johnston

AUTHOR & ILLUSTRATOR

BIOGRAPHY

Nicky Johnston is Melbourne based, award-winning children's book author and illustrator. She has over 40 children's book titles published in Australia and overseas.

Nicky loves every aspect of creating children's books especially illustration. Her illustration style is often described as whimsical, playful, narrative, emotive and colourful. She loves to work in watercolour, ink, pencils, pastel, and printing techniques.

Nicky is a primary school educator with over 25 years' experience. Her illustration workshops are fun, engaging and give students hands on success at all levels. She shares her love of visual storytelling and inspires the students to stretch themselves. She is passionate about working with children of all ages, encouraging them to use their imagination and develop their own ideas.
